Station 1

**Young people
navigate so much
today.**

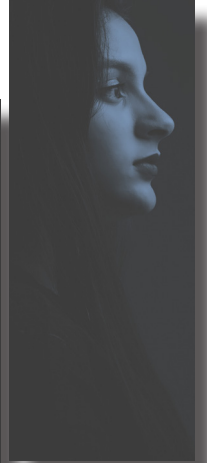

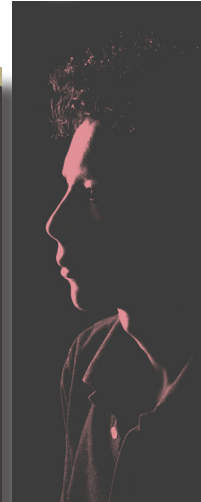

Take one of the
cards and use the
text to help you
intercede for young
people in their
ever-changing world.

Station 3

I have a Name

Can you name three young people
before God today and take time
to pray for them now?

Station 2

**Jesus, what is your heart for
young people?**

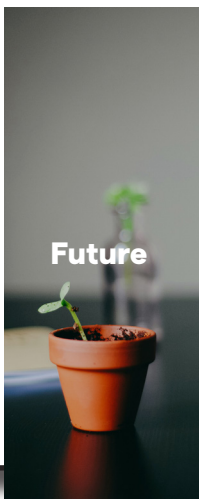

Take a moment to consider
Jesus' heart and respond
quietly with Jesus.

Station 4

**Knowing Jesus:
this is the heartbeat
of all we do.**
Take a moment to
pray an honest
audacious prayer for
the young people you
know and this
generation at large –
may they know God
and follow Him.

Station 5

Future

**What future do you
want to see for young
people?**

What are your hopes?

What do you need to do
in your lifetime to open
doors for their future?

Take time to pray this
over with God.

Station 6

**Every young person we
meet is different.**

Every life, every story, every
journey.

Our prayer is that every
young person, no matter
their story or their
background, would
experience God in every
aspect of their life. Our heart
is to see them thrive and
experience life to the full
through all that God
offers. Whether that be
school, home life, sports,
hobbies, work, church or in
their community – we want
God to bring His fullness of
life in every area, no matter
their life experience.

We would love you to pray for
God's fullness in every part of
our young people's lives.
